FABER DESIGN CONTEST

To celebrate the launch of Faber's **ZOOM** retractable hood in North America, Distinctive is inviting Ontario & Quebec designers to create their own custom shade.

About Faber: The 60 years old Italian company Faber Flaminia, has become a world leader in the rangehood section. The group regularly makes sizeable investments – unequaled by competitors – in product research, automated production facilities, information technology and quality control.

This is the key to creating products that answer the new market needs for air quality and improved security and quality of life at home. This is what makes Faber Flaminia, one of the world's most important rangehood manufacturer.

RULES

The competition is open to all Ontario and Quebec architects and interior designers.

A panel will judge the projects based on creativity and aesthetic appeal.

CRITERIA

- Projects are to be submitted in a digital format only.
- Entries must include a typed design statement no longer than one paragraph. It may be narrative or bullet format.
- A brief biography and head shot must also be submitted.
- For installation details of the Zoom [visit this webpage](#) or [download the installation manual](#)
