

FULGOR
MILANO

PRODUCT GUIDE **2021**

INNOVATION

DUAL FLAME CRESCENDO BURNERS : Because precision is important for powerful high and gentle low flames, our sealed burners offer five combinations of flame configurations for near infinite control. Durable brass burner rings provide exceptional heat distribution to the base of the cooking vessel at its maximum output of 20,000 BTU and is also capable of the gentlest simmer aided by its oversized burner cap.

NOVA BROILER SYSTEM : Intense heat sears meats and fish locking in juices, with a large broiling area. Ventilation in our All Gas Pro Ranges allows for closed-door broiling, which ensures constant cooking.

MAKE IT EXCLUSIVELY YOURS : Customize your Sofia Range with your chosen name. Visit the Fulgor Milano website to create your personalized name plate for the oven door. The complimentary plate will AUTOGRAPH YOUR KITCHEN be delivered to your home where your unique Sofia kitchen is exclusively yours. Visit <http://sofia.fulgor-milano.com/>

PARTS & LABOR

- 2 years parts and labor
- 5 years parts and labor on the following sealed system components only: compressor, condenser, evaporator, dryer and connective tubing
- 5 years parts only on the following sealed system components only: compressor, condenser, evaporator, dryer and connective tubing
- 12 years parts only on the following sealed system components only: compressor, condenser, evaporator, dryer and connective tubing
- Cosmetic Warranty: Doors, handles, glass, product frames, racking, interior and exterior surfaces are covered by a limited 30-day parts-only warranty for cosmetic defects proven to have originated from the factory. It is the responsibility of the owner to inspect the product and report any such claims within this 30 day period.

Specifications and features may vary. Please refer to the manufacturer's website for the latest updates.

Induction Plate Kit – 4 pieces

INDUKIT4

The cookware used must be induction compatible in order to complete the magnetic connection require for induction cooking. If customers do not own induction compatible cookware, the plates that are placed between the induction cooking zone and the cookware being used will complete the magnetic connection.

WARRANTY

DURATION OF WARRANTY

Fulgor grants a 24 month full warranty from the date of purchase indicated on the invoice. During this period, Fulgor will pay the cost for replaced parts and labor needed to repair the appliance.

COVERAGE

This warranty applies to Fulgor appliances utilized only for residential use. Our appliances are not intended for commercial use. This warranty is only valid for the original owner and is not transferable. During the warranty period Fulgor will, at its discretion, repair or exchange the product without charge for parts and labor.

To take knowledge of all the details of the 2-year warranty, please refer to the Use and Care Manual before using the appliance for the first time.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
