LIMITED WARRANTY

WHAT THIS LIMITED WARRANTY COVERS AND FOR HOW LONG

Alliance Laundry Systems, Ripon, WI 54971 extends this limited warranty to the first single family household consumer, or by warranty transfer to a new owner, of an Alliance Laundry Systems home topload washer, frontload washer, dryer or stacked washer and dryer. Alliance Laundry Systems will repair or replace, free of charge, any part which fails as a result of a defect in material or workmanship for the time period shown after the date of original installation. Alliance Laundry Systems will also pay the labor charges when service is provided by an Alliance Laundry Systems Authorized Service Company.

NOTE: If the unit is operated in a multiple user setting or commercial application, the unit limited warranty is three (3) years parts warranty only. Labor coverage is not included in this limited warranty.*

MECHANICAL CONTROL TOPLOAD WASHER - TR3101WN

- Three (3) years parts and labor limited warranty on the complete washer.
- Five (5) year limited warranty on cabinet assembly against rust from the inside out. Year 4 through 5 parts only limited warranty.
- Five (5) year limited warranty on the motor. Year 4 through 5 parts only limited warranty.
- Lifetime limited warranty on the stainless steel tub and outer tub against rust or corrosion.

MECHANICAL CONTROL DRYER - DR3101WE / DR3101WG

- Three (3) years parts and labor limited warranty on the complete dryer.
- Five (5) year limited warranty on cabinet assembly against rust from the inside out. Year 4 through 5 parts only limited warranty.
- Lifetime limited warranty on stainless steel cabinet assembly, stainless steel wash basket and outer tub against rust or corrosion.

MECHANICAL CONTROL TOPLOAD OR FRONTLOAD WASHER - TR5101WN / FF7106WN / FF7106SN

- Five (5) years parts and labor limited warranty on the complete washer.
- Five (5) years parts and labor on cabinet assembly against rust from the inside out.
- Lifetime limited warranty on the stainless steel tub and outer tub against rust or corrosion.

MECHANICAL CONTROL DRYER - DR5101WE / DR5101WG / DF7101WE / DF7101SE / DF7101WG / DF7101SG

- Five (5) years parts and labor warranty on the complete dryer.
- Five (5) years parts and labor on cabinet assembly against rust from the inside out.
- Lifetime limited warranty on commercial steel cylinder and bulkheads against rust or corrosion.

ELECTRONIC DISPLAY TOPLOAD WASHER WITH REAR CONTROL - TR7101WN

- Seven (7) years parts and labor limited warranty on the complete washer.
- Five (5) years parts and labor on cabinet assembly against rust from the inside out.
- Lifetime limited warranty on stainless steel tub and outer tub against rust or corrosion.

ELECTRONIC DISPLAY DRYER (PAINTED) WITH REAR CONTROL - DR7101WE / DR7101WG

- Seven (7) years parts and labor warranty on the complete dryer.
- Five (5) years parts and labor on cabinet assembly against rust from the inside out.
- Lifetime limited warranty on commercial steel cylinder and bulkheads against rust or corrosion.

ELECTRONIC DISPLAY STACK WASHER/DRYER - SF7104WE / SF7104WG

- Five (5) years parts and labor limited warranty on the complete washer/dryer.
- Five (5) years parts and labor on cabinet assembly against rust from the inside out.
- Lifetime limited warranty on commercial steel cylinder, bulkheads, stainless steel wash basket and outer tub against rust or corrosion.

**BUILT
TO LAST
25
YEARS**

THE INDUSTRY'S MOST DURABLE WASHERS AND DRYERS, BACKED BY THE INDUSTRY'S BEST WARRANTIES

Huebsch has specialized in laundry since 1908. We know laundry. It's all we do. We plan, we test, we exceed expectations, and we never sacrifice quality for the bottom line.

Our commitment to maintaining high standards is intentional. The washers and dryers we've manufactured for over a century are proven to stand up to years of the most demanding commercial applications, and these are the same machines that are built and tested to last 25 years in your home.

COMMERCIAL GRADE MEANS BETTER MADE

Quality comes first. The reason Huebsch is the leader in commercial laundry is no mystery – stronger parts make for longer performance. While other manufacturers choose to build their washers and dryers using plastic parts, we use commercial-quality metal components throughout our machines.

Even our electronic controls are commercially designed for reliable operation and engineered to endure extreme moisture and climate, power surges, and vibration for years of trouble-free operation.

EXTREME TESTING

We put our machines through rigorous testing long before you do. Employing a unique 5-stage product development process, we push our washers and dryers to the limits of endurance and reliability.

Huebsch machines are tested to withstand more than 10,400 cycles – more than 25 years' worth of use in the average home – two to three times longer than other brands.

INDUSTRY-BEST WARRANTY

The decision to offer the best warranty in the industry is simple. Your warranty should match the quality, durability, and reliability of your product and ours is the best. Our machines are built better to last longer and we back it all up with our industry-best 3, 5, and 7-year parts and in-home labor warranties.
