

COYOTE 
Outdoor Living

PRODUCT GUIDE **2020**

Coyote Outdoor Living understands the importance of delivering durable products that last a lifetime. All of our grills are built with premium grade 304 stainless steel throughout and have features such as double-walled stainless steel hoods, cast stainless steel burners and zinc nickel alloy knobs. Our specially designed firebox combined with our professional burner system delivers a perfect, even cooking experience every time.

Coyote Outdoor Living products are designed with a strict attention to consistency and aesthetics. Having a tremendous range of products to allow for the most custom of outdoor spaces loses appeal if the products fail to tie the space together with a consistent design aesthetic.

All of our grills feature:

- Complete 304 stainless steel construction, including:
 - Cast Pro-Style stainless steel Infinity Burners™, grates and component parts
 - Double walled, stainless steel hood
 - Continuous weld on the grill box with seamless edges
- Interior grill lighting
- Stainless steel Heat Control Grids™ “C-Series”
- Ceramic briquette Heat Control Grids™ “S-Series”
- Limited lifetime warranty on burners and stainless steel exterior
- Independent burner ignition system

Specifications and features may vary. Please refer to the manufacturer's website for the latest updates.

Limited Product Warranty

Coyote Outdoor warrants to the original purchaser at the original site of delivery with proof of purchase of each Outdoor Gas grill/Side burner that when subject to normal residential use, it is free from defects in workmanship and materials for the periods specified below. This warranty excludes grills used in rental and commercial applications. This warranty excludes surface corrosion, scratches, and discoloration which may occur during regular use. It does NOT cover labor or labor related charges. There will be shipping and handling charge for the delivery of the warranty part(s).

COMPONENT WARRANTY PERIOD

Cooking Grids (no rust or burn through)	5 years (limited)
Flavorizer Bars (no rust or burn through).....	2 years (limited)
Electric/Plastic Components	2 years (limited)
Ignition systems/Valves	1 year (limited)
Stainless steel frame/housing	Limited Lifetime
Stainless Steel Burners (no rust or burn through)	Limited Lifetime

Our obligation under this warranty is limited to repair or replacement, at our option, of the product during the warranty period. The extent of any liability of Coyote under this warranty is limited to repair or replacement. This warranty does not cover normal wear of parts, damage resulting from any of the following: negligent use or misuse of the product, use of improper fuel/gas supply, use contrary to operating instructions, or alteration by any person other than a factory service center.

The warranty period is not extended by such repair or replacement. Please see Coyote Outdoor Living website at **www.coyoteoutdoor.com** for full warranty terms and conditions. This information is subject to change without notice. See website for most current information.
