

COYOTE 
Outdoor Living

PRODUCT GUIDE **2021**

Coyote Outdoor Living understands the importance of delivering durable products that last a lifetime. All of our grills are built with premium grade 304 stainless steel throughout and have features such as double-walled stainless steel hoods, cast stainless steel burners and zinc nickel alloy knobs. Our specially designed firebox combined with our professional burner system delivers a perfect, even cooking experience every time.

Coyote Outdoor Living products are designed with a strict attention to consistency and aesthetics. Having a tremendous range of products to allow for the most custom of outdoor spaces loses appeal if the products fail to tie the space together with a consistent design aesthetic.

All of our grills feature:

- Complete 304 stainless steel construction, including:
 - Cast Pro-Style stainless steel Infinity Burners™, grates and component parts
 - Double walled, stainless steel hood
 - Continuous weld on the grill box with seamless edges
- Interior grill lighting
- Stainless steel Heat Control Grids™ “C-Series”
- Ceramic briquette Heat Control Grids™ “S-Series”
- Limited lifetime warranty on burners and stainless steel exterior
- Independent burner ignition system

Specifications and features may vary. Please refer to the manufacturer's website for the latest updates.

Warranty

Coyote Outdoor Living, Inc. issues this limited warranty to the original purchaser at the original site of delivery with proof of purchase and specifically warrants that the Outdoor Gas grill when subject to normal residential use, will be free from defects in workmanship and materials for the periods specified below. This limited warranty is not transferable and specifically excludes any grill used in a commercial setting, where anyone other than the original purchaser (homeowner) would be using and maintaining the grill. This limited warranty specifically excludes all issues that may arise from surface corrosion, scratches, and discoloration during regular use. This limited warranty does **NOT COVER LABOR OR LABOR RELATED CHARGES** and there will be shipping and handling charges for the delivery of part(s).

COMPONENT.....	WARRANTY PERIOD
Cooking Grids (no rust or burn through)	5 years (limited)
Flavorizer Bars (no rust or burn through.....	2 years (limited)
Electric/Plastic Components	2 years (limited)
Ignition systems/Valves	1 year (limited)
Stainless steel frame/housing	Limited Lifetime
Stainless Steel Burners (no rust or burn through)	Limited Lifetime

Coyote Outdoor Living, Inc.'s obligation under this limited warranty is limited solely to repair or replacement, at our option, of the pertinent component during the warranty period, and the extent of any liability of Coyote Outdoor Living, Inc. under this warranty is limited to repair or replacement. This limited warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use of an improper fuel/gas supply, use contrary to operating instructions, or alteration by any person other than a factory service center. The above warranty periods are not extended by any repair or replacement.

Please see Coyote Outdoor Living website at www.coyoteoutdoor.com for full warranty terms and conditions. This information is subject to change without notice. See website for most current information.

Specifications and features may vary. Please refer to the manufacturer's website for the latest updates.
