ISO 14001 certified signifies Blomberg's enduring commitment to maintaining environmental manufacturing processes, preventing pollution, and protecting the planet for future generations.

RoHS compliant aims to prevent the risks posed to human health and the environment related to the management of electronic and electrical waste. Blomberg continuously adapt their designs to incorporate recycled materials in innovative ways. Most of Blomberg's signature appliances feature 95% recyclable components.

### TERMS

1. Offer valid for retail sales only from an authorized Blomberg dealer in Quebec, Ontario and Maritimes.
2. This offer excludes accessories, displays and clearance models.
3. Purchases of qualifying Blomberg products under this promotion must take place within March 15 - May 31, 2022.
4. Distinctive reserves the right to amend or cancel this promotion at any time without prior notice.
5. Additional terms and conditions may apply. Consult your sales associate for more details.
