VAM (VARIABLE AIR MANAGEMENT)

Adjusting CFMS to meet local building codes is easy with the Variable Air Management (VAM) feature on certain Faber models. VAM aids in helping the installer set the speed permanently to a lower CFM based on local make up air codes. Our exclusive VAM technology allows you to adjust your hood to the most common CFM levels: 295, 395 or 600 class performance. VAM is pre-installed in many Faber models and with a few simple pushes of the control buttons the hood is programmed and permanently set to the CFM level for your market.

Note: Always check local make up air code requirements.

PERIMETRIC FILTER SYSTEM

What's the most effective air extraction technology? It's PERIMETER ASPIRATION, and it's a exclusive FABER technology, of course. Forcing air to speed up through a narrow gap around the perimeter of the panel, purifing the air, reducing noise and improving efficiency.

FABER TECHNOLOGIES

FILTER1LL2
LONG LASTING CHARCOAL FILTER

- A Faber first! Wash and recharge charcoal filters up to 8 times
- Lasts up to 4 years vs. the normal charcoal filter that lasts 6 months

Vari-Duct

ADDS DUCTING FLEXIBILITY TO YOUR INSTALLATION!

- Look for the "Vari-Duct" phrase in the price book
- Duct up (vertical) or rotate the blower to the back (horizontal)
- Reduce ducting when on an outside wall and improves performance

FABER CONSUMER WARRANTY & SERVICE

All Faber products are warranted against any defect in materials or workmanship for the original purchaser for a period of two (2) years from the date of original purchase (requires proof of purchase). This warranty covers labour and replacement parts. Faber, at its option, may repair or replace the product or components necessary to restore the product to good working condition. To obtain warranty service, contact the dealer from whom you purchased the range hood or Distinctive Appliances at 1-800-561-7265.

The Warranties do not cover, and Faber shall not be liable for the following:

1. Service calls to correct the installation of your range hood, to instruct you on how to use your range hood, to replace or repair house fuses or to correct house wiring or plumbing.
2. Service calls to repair or replace range hood light bulbs, fuses, or filters. These consumable parts are excluded from warranty coverage.
3. Repairs when your range hood is used for other than normal, single-family household use.
4. Damage resulting from an accident, alteration, misuse, abuse, fire, flood, acts of God, improper installation, installation not in accordance with electrical or plumbing codes or Faber documentation, or use of products not approved by Faber.
5. Replacement parts or repair labour costs for units operated outside the United States or Canada, including any non-UL or C-UL approved Faber range hoods.
6. Repairs to the hood resulting from unauthorized modifications made to the range hood.
7. Expenses for travel and transportation for product service in remote locations and pickup and delivery charges. Faber range hoods should be serviced in the home.

This warranty does not allow recovery of incidental or consequential damages, including, without limitation, direct, indirect, incidental, special or consequential damages, personal injury/wrongful death, or lost profits. The Faber warranty is limited to the above conditions and to the warranty period specified herein and is exclusive. Except as expressly specified in this agreement, Faber disclaims all express or implied conditions, representations, and warranties including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.
This warranty gives you specific legal rights that may vary from state to state.
