FABER
FRANKE'S AIR EXPERT

PRODUCT GUIDE **2025**

SOUND PRO TECHNOLOGY

FLUID DYNAMIC OPTIMIZATION

Thanks to an innovative design, the new blower significantly reduces turbulence and vortex of the internal airflow.

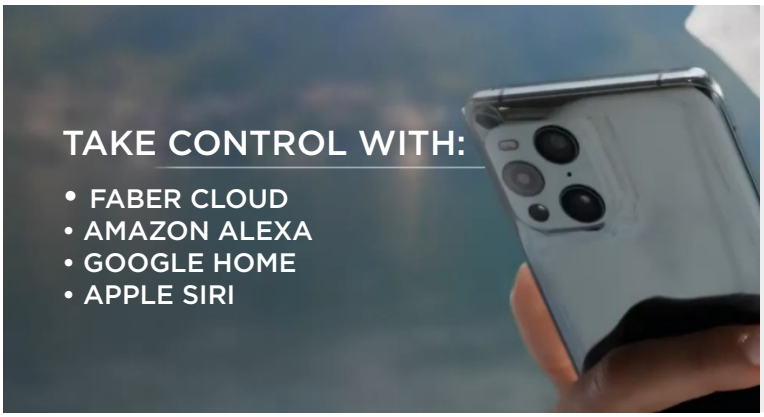
NOISE REDUCTION AND SOUND QUALITY OPTIMIZATION

At maximum power, the new technology limits the noise threshold of the hood up to -6db*, but it doesn't stop there. It also optimizes the sound produced, reducing the disturbance caused by high frequencies.

AVAILABLE IN THESE FABER MODELS:

*Data varies depending on the model in which the blower is installed.

THE FABER CLOUD APP



- Adjust light setting
- Change fan speed
- Activate boost mode
- Set 24-hour mode
- Check filter life status
- Operate auto-off timer

Faber Cloud seamlessly connects the Wi-Fi enabled Faber range hoods to any Andoid or iOS smart device so you can control your kitchen's environment from anywhere.

Control your Wi-Fi enabled Faber range hood with Amazon Alexa, Google Home, or Siri to use voice commands to turn the hood on and off, adjust blower speed and set the auto-timer.

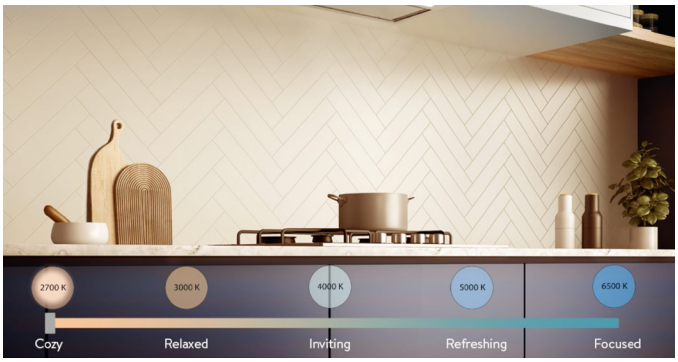
TUNABLE, PERSONALIZED LIGHTNING

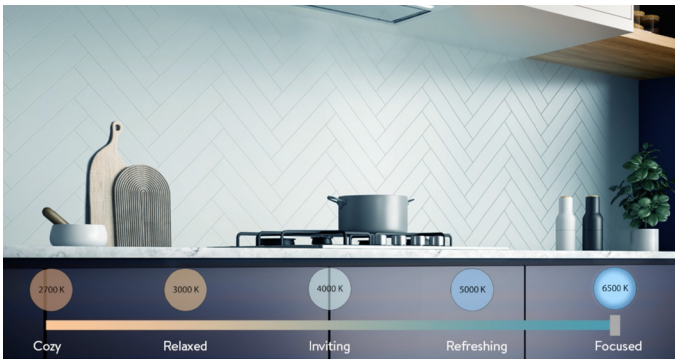
CHOOSE THE LIGHTING COLOR THAT IS RIGHT FOR YOU.

Faber tunable white LED lighting is a versatile lighting solution that offers five controllable colors and two levels of intensity, allowing you to create the perfect lighting environment for your kitchen activities.

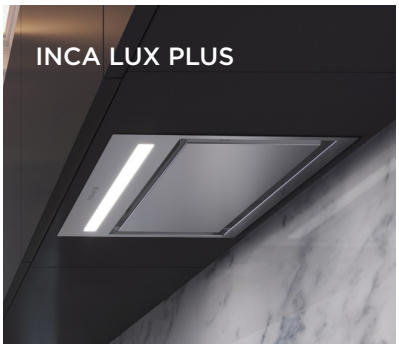
The ability to adjust the color temperature of the lighting allows you to switch between warm and cool tones, depending on your needs.

Warm Lighting can create a cozy, inviting atmosphere, perfect for relaxed gatherings or evening meals, while **Cool Lighting** can provide a bright energizing space, ideal for tasks that require focus and concentration, such as cooking or meal preparation.





AVAILABLE IN THESE FABER MODELS:



TECHNOLOGIES THAT IMPROVE AIR QUALITY IN YOUR HOME

FABER RANGE HOODS ARE CAPABLE OF REMOVING UP TO 95% OF COOKING ODORS.

Breathing clean air inside our homes is essential to our well-being and overall quality of life.

Faber range hoods use technologies that eliminate cooking pollutants for safe, clean and improved air quality in your kitchen.

SELF-START

A special sensor automatically turns the hood on as soon as the air temperature reaches 130°F (or 54°C), making sure the air environment in your kitchen is comfortable.

24-HOUR

The 24-hour feature automatically turns the hood on for 10 minutes every hour, keeping your kitchen fresh and odor free all day long.

FILTER ALARM

The filter saturation alarm takes out the guesswork and will warn you when it is time to clean the grease filters or replace the charcoal filters (for recirculating applications).

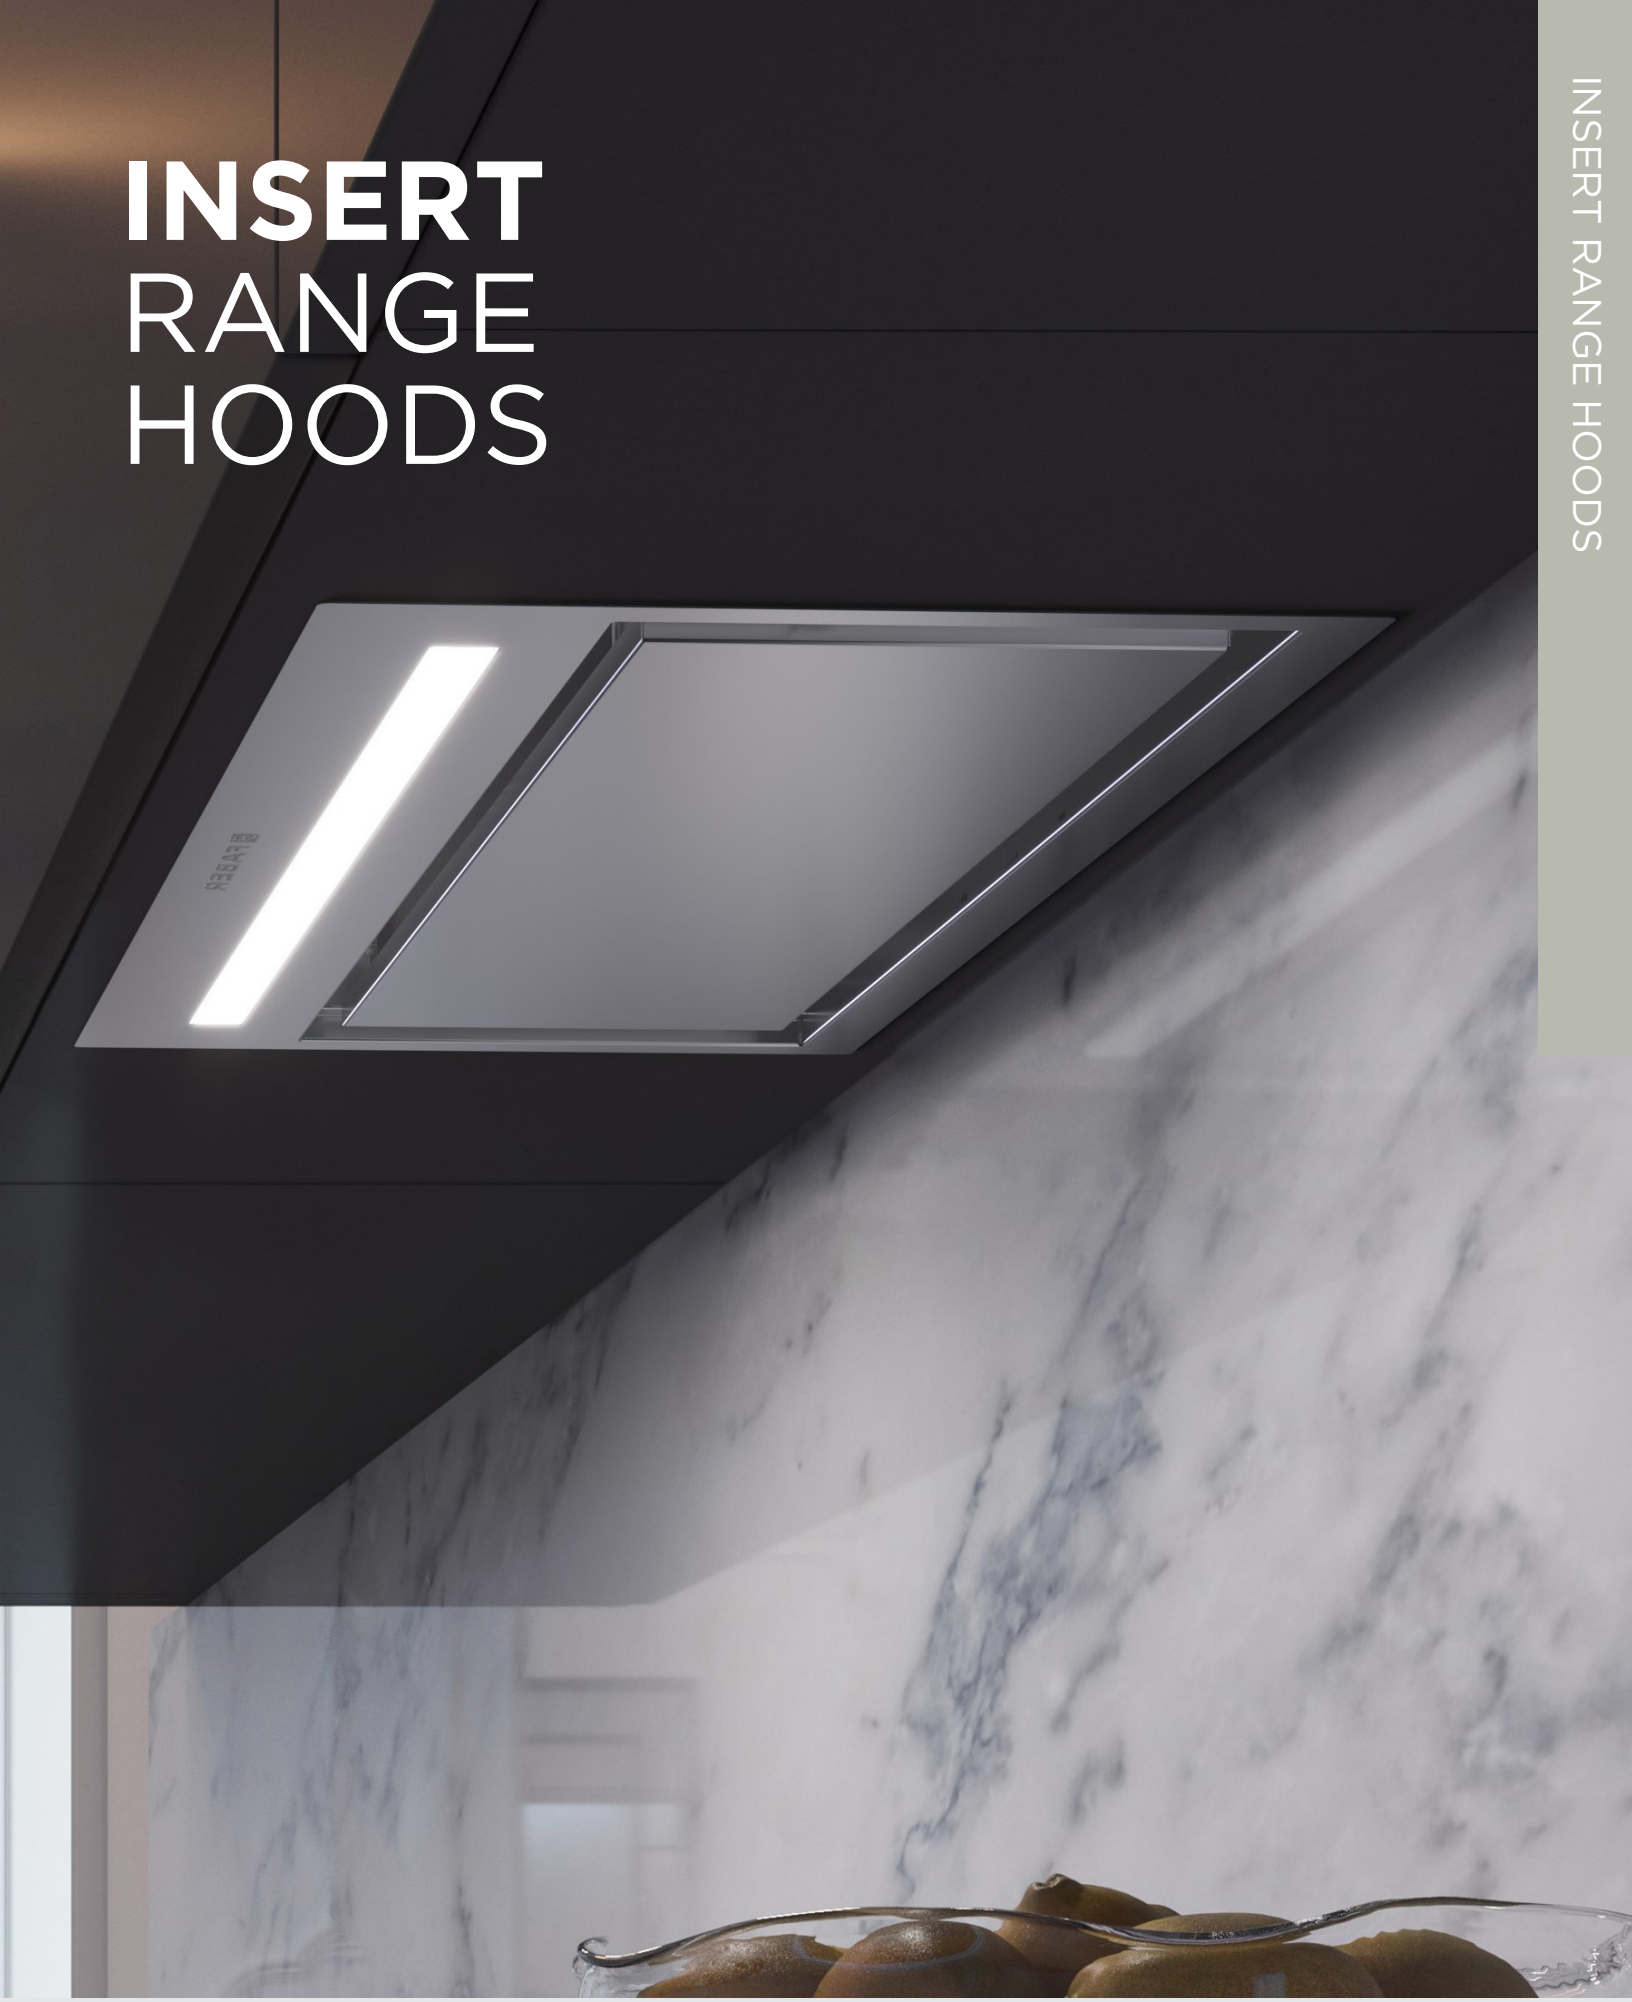
PERIMETRIC FILTER SYSTEM

What's the most effective air extraction technology? It's PERIMETER ASPIRATION, and it's an exclusive FABER technology, of course. Forcing air to speed up through a narrow gap around the perimeter of the panel, purifing the air, reducing noise and improving efficiency.

INSERT RANGE HOODS



PRO LINER

*Use your own external blower, purchased separately, rated 4.2amps maximum, suitable for use with solid state variable speed control. If you are using your own external blower with this hood, you need to order the INLBKIT to connect to the hood.

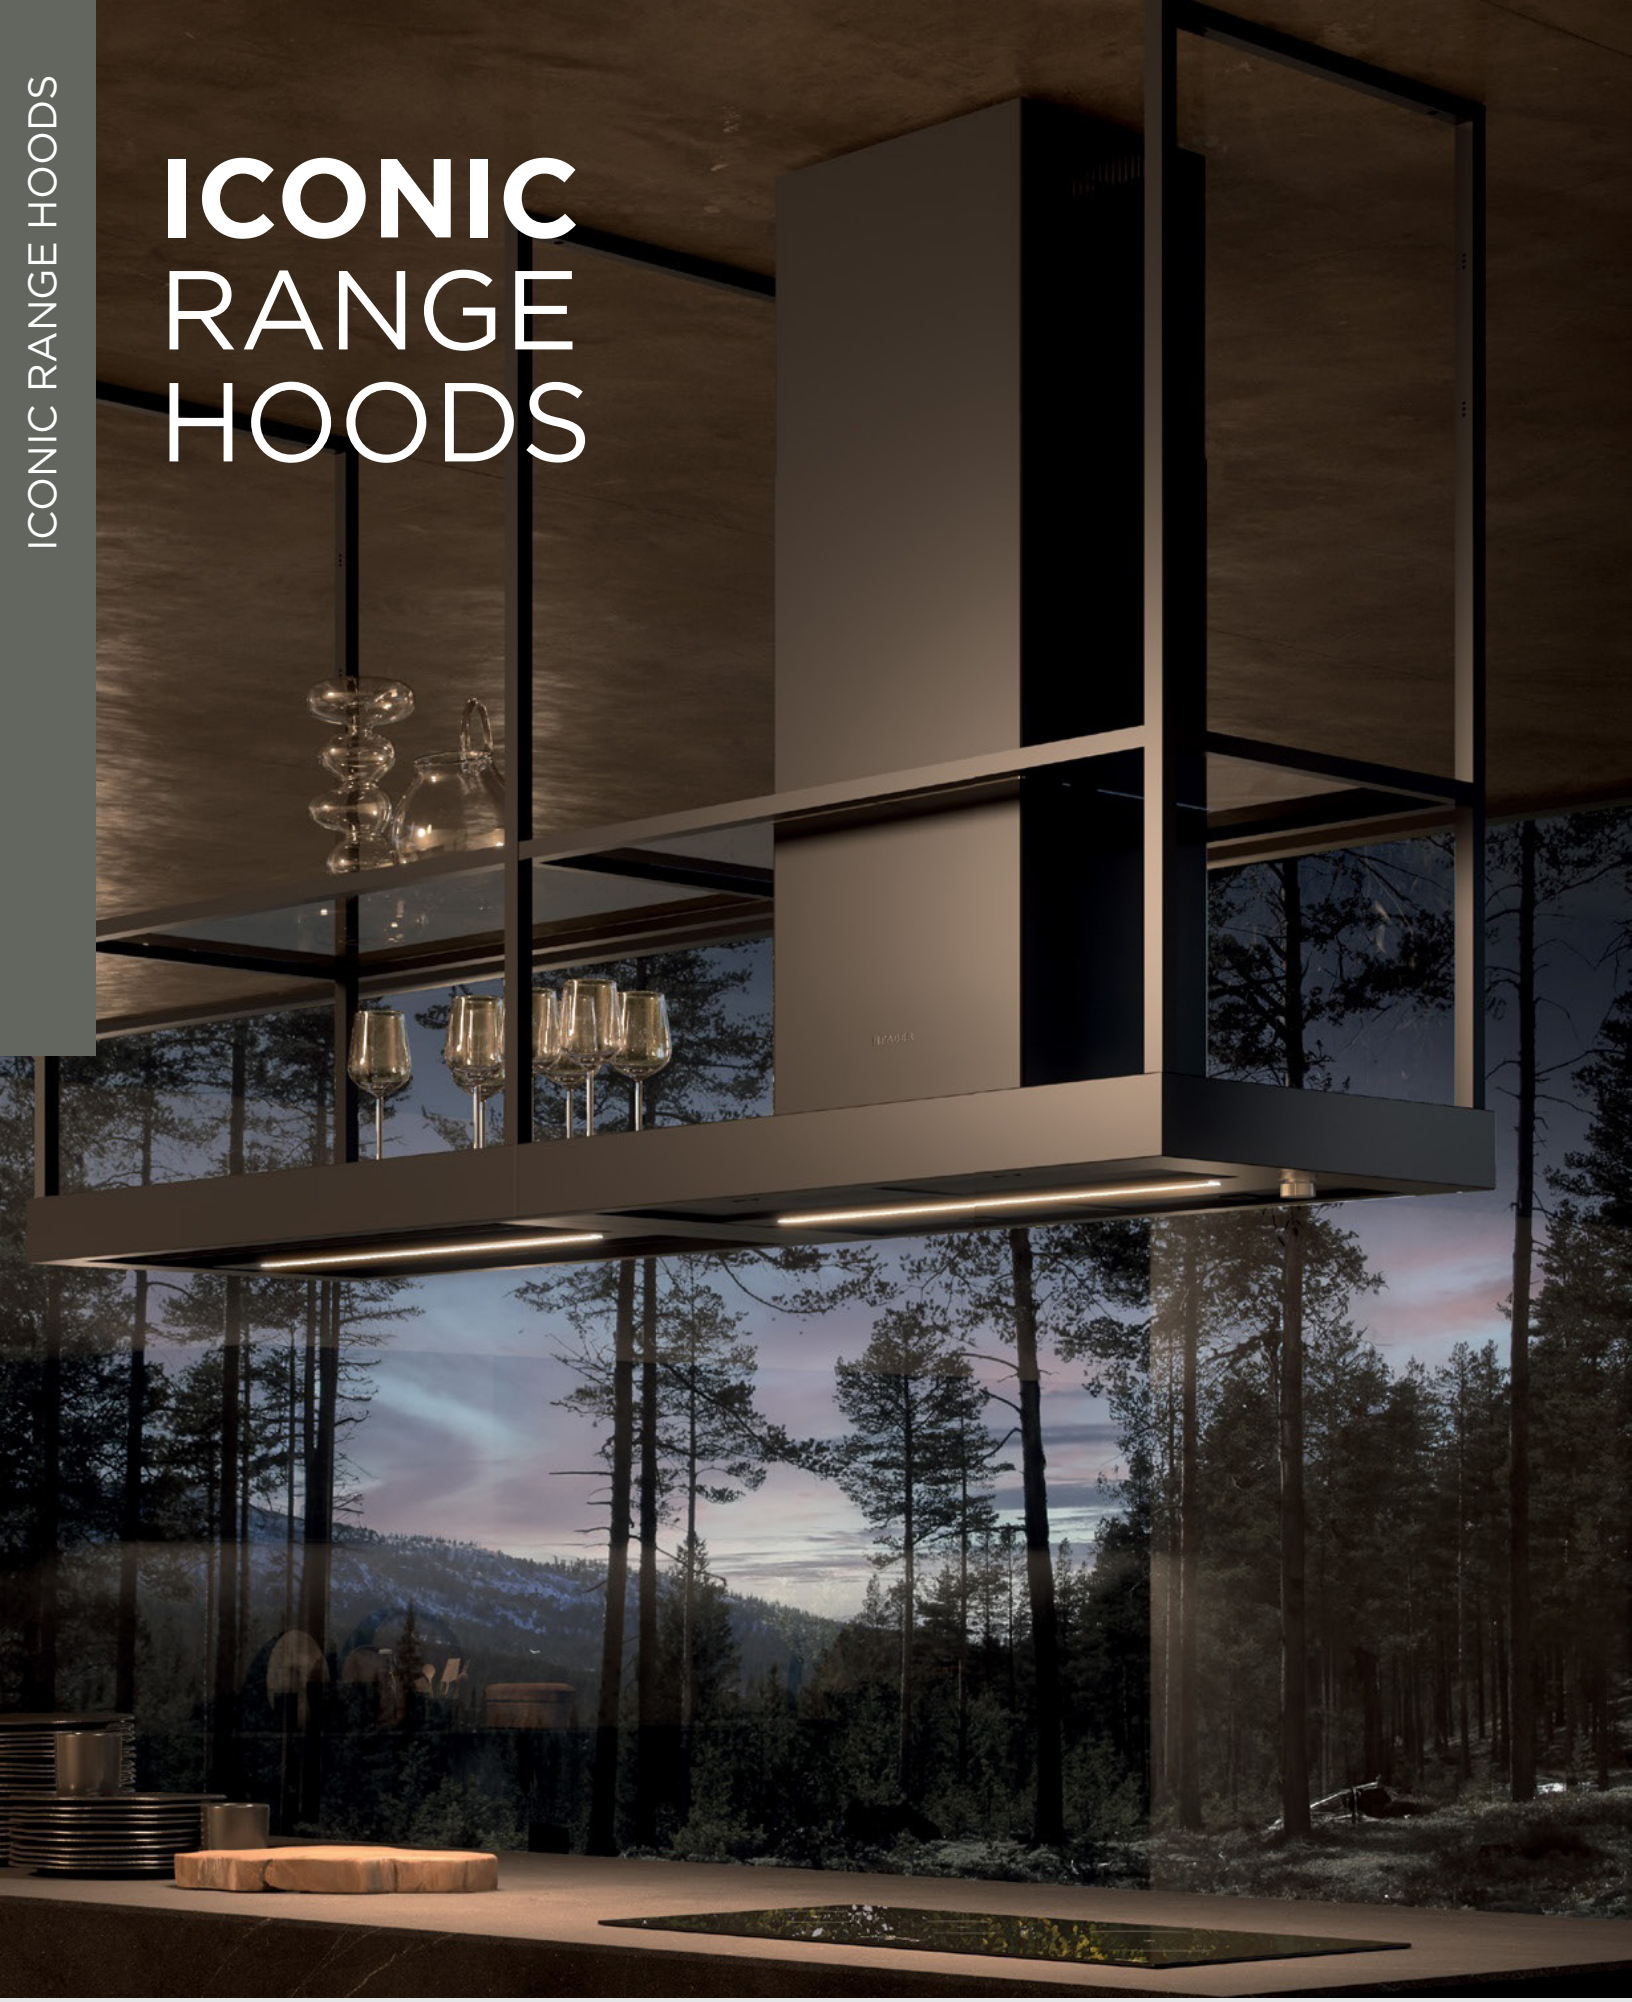
ICONIC RANGE HOODS



The new Faber T-Shelf island hood adds an extra touch of design in your kitchen. Its matte black finish and sleek smoked glass shelves create an open, inviting ambiance, to elevate any kitchen space.

NEW T-SHELF

CUSTOMIZED LIGHTING

Double LED bar lights, with dimmer and tunable functions, allow you to adjust both brightness and color temperature.

QUIET EXTRACTION

Equipped with Sound Pro blower, it operates quietly yet powerfully. The Intensive Speed function boosts extraction power for 6 minutes, ensuring fresh air in your kitchen.

EXTRA SPACE

Three open smoked-glass shelves surrounded by matte black frame turns cooking area into a beautiful curated space.

360° USABILITY

Symmetrical design allows for 360° usability, offering effortless access and control.

The Graziosa Isola is a revolutionary hood that blends cutting-edge connectivity with premium kitchen aesthetics. Featuring a matte black finish and side-flush illumination, it gives the elegance of a sophisticated chandelier.

NEW GRAZIOSA ISOLA

INNOVATIVE DESIGN

The design conceals grease filters behind a perimeter panel, ensuring a clean and polished look, while effectively removing cooking particles and odors.

SMART CONNECTIVITY & ACCESSIBILITY

Control the hood using Touch, Remote, or the Faber Cloud App for efficient and convenient connectivity.

24-HOUR FRESHNESS

The 24-hour function activates the hood for 10 minutes every hour, ensuring continuous air circulation to keep your kitchen fresh and odor-free.

OPTIMAL ILLUMINATION

The dimmable LED lighting at the bottom and the accent LED lights on the side panels allow you to set the perfect lighting for every occasion.

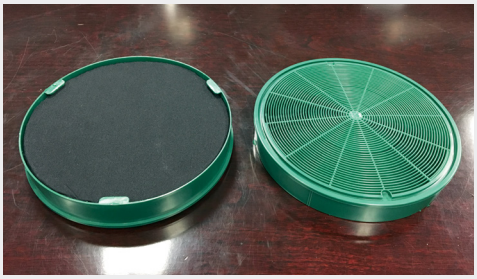
FABER FACTS

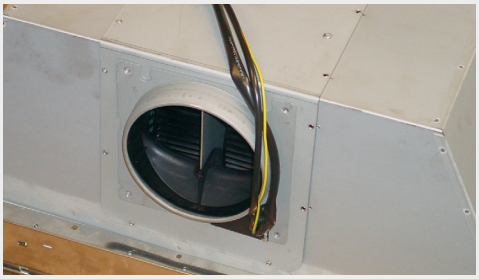
FABER TECHNOLOGIES



FILTER1LL2

LONG LASTING CHARCOAL FILTER

- A Faber first! Wash and recharge charcoal filters up to 8 times
- Lasts up to 4 years vs. the normal charcoal filter that lasts 6 months



Vari-Duct

ADDS DUCTING FLEXIBILITY TO YOUR INSTALLATION!

- Look for the "Vari-Duct" phrase in the Product Guide
- Duct up (vertical) or rotate the blower to the back (horizontal)
- Reduce ducting when on an outside wall and improves performance

- *Breva Pro, Chloe & Camino include Chimney Duct Cover Accessory (sold separately)
- Island Hoods can be adjusted to lower min. Refer to specific model's U&C Guide.
- For planning purposes only, see install instructions for final heights

FABER CONSUMER WARRANTY & SERVICE

All Faber products are warranted against any defect in materials or workmanship for the original purchaser for a period of two (2) years from the date of original purchase (requires proof of purchase). This warranty covers labour and replacement parts. Faber, at its option, may repair or replace the product or components necessary to restore the product to good working condition. To obtain warranty service, contact the dealer from whom you purchased the range hood or Distinctive Appliances at 1-800-561-7265.

The Warranties do not cover, and Faber shall not be liable for the following:

1. Service calls to correct the installation of your range hood, to instruct you on how to use your range hood, to replace or repair house fuses or to correct house wiring or plumbing.
2. Service calls to repair or replace range hood light bulbs, fuses, or filters. These consumable parts are excluded from warranty coverage.
3. Repairs when your range hood is used for other than normal, single-family household use.
4. Damage resulting from an accident, alteration, misuse, abuse, fire, flood, acts of God, improper installation, installation not in accordance with electrical or plumbing codes or Faber documentation, or use of products not approved by Faber.
5. Replacement parts or repair labour costs for units operated outside the United States or Canada, including any non-UL or C-UL approved Faber range hoods.
6. Repairs to the hood resulting from unauthorized modifications made to the range hood.
7. Expenses for travel and transportation for product service in remote locations and pickup and delivery charges. Faber range hoods should be serviced in the home.

This warranty does not allow recovery of incidental or consequential damages, including, without limitation, direct, indirect, incidental, special or consequential damages, personal injury/wrongful death, or lost profits. The Faber warranty is limited to the above conditions and to the warranty period specified herein and is exclusive. Except as expressly specified in this agreement, Faber disclaims all express or implied conditions, representations, and warranties including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.
This warranty gives you specific legal rights that may vary from state to state.
