

OUR COMMITMENT TO SERVICE AND WARRANTY

Statement Regarding Bill 29 (Quebec)

For Québec consumers only — Fulgor Milano Statement on Availability of Replacement Parts, Repair Services, and Maintenance Information

Fulgor Milano strives to provide helpful and effective support and service to our customers, valuing product reliability and developing fair and transparent warranty terms and conditions, of which we firmly stand by. As we continue to comply with consumer protection laws and offer professional support, Fulgor Milano will not guarantee, as per section 39 of the Consumer Protection Act, the availability of replacement parts, repair services, and the necessary information required to maintain or repair our products. Please note that, where applicable, we continue to offer replacement parts, repair services, and maintenance information, subject to the coverage and terms outlined in our comprehensive warranty statement.

For complete details on the scope, limitations, and duration of the availability, please refer to the official comprehensive warranty statement provided with your product or available on our website at www.fulgor-milano.com/us/en/warranty.

Fulgor Milano is committed to supporting the long-term performance and serviceability of our appliances. We stand behind the quality and durability of our products and aim to provide ongoing support to ensure consumer satisfaction and confidence in your purchase.
